Important Information: Autism Services, Inc. is excited to offer a Little Free Library to our North Buffalo neighbors. The way it works is simple. The residents at Autism Services’ residence located at 127 Wellington Road have stocked the Little Free Library (photo attached) with a variety of good-quality books. In turn, neighbors stop by and borrow any book that suits their interest. Once the borrower is finished with the book, they return it and, if they’re able to, contribute a new one to share with others.

There are many Little Free Libraries such as this one popping up all around the world. The Little Free Library’s mission is to promote literacy and the love of reading by building free book exchanges worldwide. Additionally, these libraries build a sense of community across generations through the sharing of skills, creativity and wisdom.
