Autism Services, Inc. Resource Center Now Open in Hamburg *Hours of Operation and Autism Awareness Month Activities Scheduled*

Williamsville, New York – (March 27, 2015) – Autism Services, Inc. (ASI) recently announced hours of operation and Autism Awareness Month activities scheduled for its new **Autism Services, Inc. Resource Center**, located at 97 Main Street in the Village of Hamburg, New York.

The Resource Center is currently open on Mondays and Tuesdays from 11:00 a.m.-3:00 p.m., Wednesdays and Thursdays from 3:00 p.m.-7:00 p.m., Fridays from 1:00 p.m.-5:00p.m., and Saturdays by appointment. The Center is open to the public and is made possible as a result of ongoing support from J.P.'s Foundation and its annual Run the 'Burg, which this year takes place on Saturday, June 6.

In honor of Autism Awareness Month in April, the Resource Center will host two community events that are free-of-charge. A workshop entitled, *Autism 101*, will be held on Tuesday, April 21, 2015, from 6:00-8:00 p.m. *Autism 101* will explore the communication and social needs of people on the autism spectrum. This workshop can be applied to a wide range of professionals and/or parents to address the characteristics of autism and strategies for working with this wonderful population in a multitude of settings. Additionally, the Resource Center will host an Open House on Saturday, April 25, 2015, from Noon – 3:00 p.m. This event will give community members an opportunity to visit the Center, learn about the programs and services the agency has to offer, and meet ASI staff.
