

We are staying home for now

We are staying home for now because of COVID-19

COVID-19 is a germ that can make me very sick

Day programs and schools are closed because of COVID-19

Many stores and restaurants are closed because of COVID-19

Many places I like to go are closed because of COVID-19

One day COVID-19 will be gone and I can go back to my normal routine

For now I will not go to school or day program or work

For now I will not go see family or friends

For now I will not go to my favorite places

Why is it important to do all of this?

You don't want to get sick, do you?

I have a better chance of staying healthy if I stay home for now

What can I do instead?

I can draw and paint.

I can play boards games

I can listen to music and dance

I can make a meal or dessert

I can go for a walk

I can call someone on the phone to say hi.

There are many things I can do

Things have changed, only for now
